From Broken to Blessed

How Simple Obedience to God Can Change Your Life

by David G. Piper

David Piper was addicted to drugs and alcohol for the majority of his life. God had given him, at a young age, a promise of great blessing for his life. Instead, David chose his own road and ended up a broken man, losing everything he valued in life. Only when he hit bottom was he willing to hear what God had been telling him all along: *I will bless you if you will obey Me.* In response, he gave his life over to God. When he began walking a road of radical obedience to God and His Word, he suddenly found his life filled with unexpected blessings and soaring toward the fulfillment of all that God had promised him.

Here, David shares the principles of obedience he learned through his own failures and then through his surrender and obedience to God. His heart is to share his story so that you, too, can also learn these principles and make your way *From Broken to Blessed.*

“David Piper was no saint. He could not break the cycle of drug addiction, but God, who is rich in mercy, set him free and established his feet on the path of righteousness by teaching him the basic principles of obedience. Today, David Piper lives a consistent Christian life because of the power of God in his life. It is with great joy that I recommend this book and this man’s ministry to everyone everywhere in Jesus’ name!”

—Dr. David Alsobrook, Sure Word Ministries

“David Piper is a prime example of what God can do in your life if you will simply let Him into your life. David is also a prime example of how God can bless your life and change the old nature and old habits into a new nature and new habits, all for the glory of God.”

—Judge John D. Crosby, Superior Court for the State of Georgia
